

Course # 1

Abbreviated Map Quest (Map-only)

(0.3 miles, 6 navigation points)

All you need is the supplied map, course guide, your eyeballs and brain.

The Course Guide will provide helpful hints along the way as you search for brass monuments and pass a geocache along the way.

Monuments:

All navigation points are marked by circular brass monuments approximately 2-3 inches in diameter.

Geocache:

Also, keep your eye out for a geocache that is stashed near a monument somewhere in this course.

To get into the geocache, you **MUST** know what year the War of 1812 began.

Once you open the geocache, sign the guest book inside! Bring a little token goodie to leave inside the geocache if you want to take something out.

Good luck and HAVE FUN!!!
