

Course # 2

Abbreviated GPS Adventure

(0.3 miles, 6 navigation points)

Using your GPS or GPS app on your smart phone, take a crack at locating a handful of marked waypoints.

Navigation Points:

All navigation points are marked with brass monuments.

The Course Guide will provide coordinates and helpful hints along the way to help keep you on course. If done correctly, you will be rewarded with a geocache treasure.

Geocache:

- To get into the geocache, you **MUST** know what year the War of 1812 began.
- Bring a little token goodie to leave inside the geocache if you want to take something out.
- Once inside the geocache, be sure to sign the visitor guest book!

Good luck and HAVE FUN!!!

Course Guide #2

Abbreviated GPS Adventure

There are three main formats of latitude and longitude: Decimal Degrees (DD), Degrees Decimal Minutes (DDM), and Degrees Minutes Seconds (DMS). All three formats are provided. Use the format that is compatible with your GPS. You can also enter these coordinants into a major web browser and it will show you the location.
