

Course # 4

Full-Length Map Quest

(1.0 miles, 14 Navigation Points)

All you need is the supplied map, your eyeballs and brain.

The Course Guide provides helpful hints along the way as you search for brass monuments.

Find a secret code AND a hidden geocache treasure box along the way.

Monuments:

Each navigation point is marked by a circular brass monument 2-3 inches in diameter.

Letters are stamped on the brass monuments. Record the letters found on each monument (Verification Code). These letters will comprise a secret message verifying your completion of the course IN THE PROPER SEQUENCE.

Geocache:

Keep your eye out for a geocache stashed near a monument somewhere in this course.

To get into the geocache, you MUST know the year the Declaration of Independence was signed.

Once opened, sign the guest book inside!

Bring a little token goodie to leave inside the geocache if you want to take something out.

Course Guide #4

Full-Length Map Quest

Though the brass marker is somewhere within the marked circle, it's not necessarily in the center of the marked circle. You'll have to search around.

Be sure to record the letters (verification code) found on the brass markers!
